Upholstery and Finishes

Standard fabric is Camira Mainline - swatch card is available on request. See up-charge for standard leather below. Please enquire as to the suitability and banding of non-listed fabrics. Customers own material (COM) fabrics & leathers from other suppliers can be used, please contact sales office for quotation.

	Up-Charge Single Seat (£)	
Leather	68	Crest Dollaro
Paint	15	Additional clear powder coat - gives greater depth shine to paint finish
	50	Additional charge for any non-standard paint colours

NB. The System Supporto chair can also be specified in a combination of painted and polished elements. Please turn to page 3 for a matrix that enables you to specify and price your exact requirements.

Dimensions are in millimeters within normal manufacturing tolerances.

W=width; D=depth; H=height; L=Length; SH=seat height; SD=seat depth.

Chair heights vary from lowest to highest settings of the height adjustment.

Standard Product Warranty is provided on all frames, moving parts and upholstery for a period of three years from date of delivery, subject to normal wear and tear. Gas struts are guaranteed for 1 year as is the upholstery.

Product Variations. Please do check with us if anything, such as dimension or function, is critical to your selection of the product as components and products may have been modified in the interim.

Payment Terms Unless agreed otherwise and in writing, our standard terms are 50% with order and 50% on delivery. Please note that interest may be due on late payments, as provided for in the UK 'Late Payment of Commercial Debts (Interest) Act 1998'.

Lead Times Our standard lead time is 6-8 weeks, however this can fluctuate and can often be improved upon. We would suggest you contact us before committing to dates, sometimes we are able to delay the 'final specification' date (such as fabric or leather colour) to a time closer to delivery.

Supporto Paint Finishes Below are our recommended colours, however, virtually any colour can be specified. Please contact us for further information and samples.

Gunmetal (RAL 7005) Black (RAL 9017)
Matt Silver (RAL 9006) Midnight Blue (RAL 5013)
Light Textured Mid Grey (RAL 7045)
White (RAL 9010)
